

SUPPORT PEOPLE IN SYDNEY LIVING WITH HIV/AIDS

Have you been thinking of volunteering your time?

Are you interested in meeting new and interesting people?

The Ankali Project has been training volunteers to provide emotional and social support to people living with HIV/AIDS since 1985.

We are currently recruiting for our next volunteer training workshop, being held over two consecutive weekends:

9, 10 & 16, 17 November, 2013.

If you're friendly, and accepting, can spare some time each week, please call

9332 9742 or email Ankali
