

Pozhet Consumer Group

To ensure Pozhet's work reflects the needs of heterosexual people living with HIV, we regularly meet with a group of dedicated consumers who provide feedback and suggestions on what we do.

The group represents our diverse group of clients across NSW. If you are interested in joining the group contact Pozhet.

Pozhet Connect: Secret Facebook group

The secret Facebook group is for heterosexual people living with HIV to connect with each other in a safe and private space. Contact Pozhet for more information.

About us

Pozhet began in 1993 as a small, volunteer-run organisation for heterosexual people living with HIV.

It is now a state-wide service funded by the NSW Ministry of Health and hosted by Sydney Local Health District.

Who we work with

Heterosexual people at risk of HIV

We provide news and information about HIV transmission, testing and prevention.

We also deliver awareness campaigns to ensure that heterosexual people know about HIV and are tested, diagnosed and treated early.

Heterosexual people living with HIV (their partners and families)

We offer information, support and referral to services for all heterosexual people living with HIV, including those newly diagnosed.

We also create opportunities for heterosexual people living with HIV to meet each other and share their stories and experiences.

Health Professionals

We offer advocacy, advice and training for health professionals and services on how to work effectively with heterosexual people at risk of, and living with HIV.

Website

The Pozhet website includes the latest news, information and stories about HIV and heterosexual people living with and at risk of HIV.

Newsletters

Pozhet produces a client newsletter and an E-newsletter for health professionals which are published several times a year.

Events

Pozhet runs events for heterosexual people living with HIV and their partners. All events are listed on the website and announced to those on the email mailing list.

Freecall 1800 812 404
